NEW COACH AT NERANG

Nerang stalwart Paul Cockbain has agreed to coach the Premier Mens First Grade team for the remainder of the season following the resignation of Col Hamilton due to work commitments.

'Cocky' started his coaching career at Nerang in 1991 and over the years has won numerous Grand Finals and Championships both here on the Coast and during the club's time in the Brisbane XXXX League. He is also a well respected junior representative coach and has won a Queensland title with the Gold Coast U14's.

"I've watched most games this season and although the boys are at the wrong end of the competition ladder they've been unlucky not to pick up points from some of the teams at the top.

"We have a relatively young squad and the occasional lapse in concentration has cost us points. I'm confident we can turn things around with the team we have but we're a bit skinny on numbers and a couple of players with premier league experience would no doubt help our cause."
